Re: Guzman de la Garza, Marcelo

To Whom It May Concern:

Marcelo Guzman De La Garza was sponsored by the Experience International Program for 2 months of practical training and cultural exchange in the United States as a J-1 Exchange Visitor from 06/10/2024 to 08/10/2024. Marcelo's placement was with Tanganyika Wildlife Park in Goddard, KS and focused on Zoology/Animal Biology.

Participants of the Experience International program are interns and trainees who are matched with host businesses/organizations in the U.S. to receive practical training in their profession or subject of study. All participants are expected to meet specific training objectives, gain new competencies in their career area, and share ideas with their hosts and others. Experience International confirms that Marcelo Guzman de la Garza successfully completed the program and has met these objectives.

Experience International is a non-profit organization that promotes leadership development and technical and cultural exchange through internships, professional exchanges, immersion, and training programs. Experience International is authorized by the United States Department of State to sponsor J-1 Trainees and Interns in fields such as agriculture, forestry, education, social sciences, communications, management, business, finance, science, engineering, architecture, mathematics and industrial occupations. Experience International is subject to all Department of State program requirements for sponsors.
